**THE MOST HOLY TRINITY**

**First Reading: Proverbs 8:22-31**

God created Wisdom before he created the earth or the skies. This spirit stood beside God every day until the earth was complete, then "found delight in the people of the earth." This indicates that the spirit of wisdom was later personified by Jesus.

**Second Reading: Romans 5:1-5**

Paul says that we are now at peace with God through our faith in Jesus. We also hope to see the glory of God. This hope will not leave us disappointed because of the love God has shown in sending us the Holy Spirit.

**Gospel: John 16:12-15**

Jesus tells the disciples that when he leaves them, a Spirit will help guide them to the truth. This Spirit will announce what he hears from Jesus, rather than speaking on his own. Everything God has also belongs to Jesus, which is why those things announced by the Spirit will actually come from Jesus.

## *From the Pastor's Desk...*

My Dear Brothers and Sisters,

The month of May is very special to our Blessed Mother. May Devotions and May Crowning are beautiful traditions in the Church to honor the Blessed Mother. Every parish and every organization in the parish loves to honor her by crowning her statue. We too have done it. Now let me invite everyone to truly honor her by imitating her, praying the Rosary every day and living as her devout sons and daughters. I found this write up on the USSCB website on Blessed Mother that sums up all about her.

As the Mother of God, the Virgin Mary has a unique position among the saints, indeed, among all creatures. She is exalted, yet still one of us.

Redeemed by reason of the merits of her Son and united to Him by a close and indissoluble tie, she is endowed with the high office and dignity of being the Mother of the Son of God, by which account she is also the beloved daughter of the Father and the temple of the Holy Spirit. Because of this gift of sublime grace, she far surpasses all creatures, both in heaven and on earth. At the same time, however, because she belongs to the offspring of Adam she is one with all those who are to be saved. (*Lumen Gentium*, no. 53)

Mary embraces God's will and freely chooses to cooperate with God's grace, thereby fulfilling a crucial role in God's plan of salvation. Throughout the centuries, the Church has turned to the Blessed Virgin in order to come closer to Christ. Many forms of piety toward the Mother of God developed that help bring us closer to her Son. In these devotions to Mary, "while the Mother is honored, the Son, through whom all things have their being and in whom it has pleased the Father that all fullness should dwell, is rightly known, loved and glorified and . . . all His commands are observed." The Church honors her as the Mother of God, looks to her as a model of perfect discipleship, and asks for her prayers to God on our behalf. Our Lady Queen of Peace, pray for us.

God Bless You  
Fr. Pancrose

### **Prayer to the Blessed Trinity**

The Father is my hope.  
The Son is my refuge.  
The Holy Spirit is my protector.  
Glory to the holy and undivided Trinity,  
now and forever.

Let us praise the Father, the Son and the Holy Spirit;  
let us bless and exalt God above all forever!

Almighty and everlasting God,  
to whom we owe the grace of professing the true faith,  
grant that while acknowledging the glory  
of the eternal Trinity and adoring its unity,  
we may through Your majestic power  
be confirmed in this faith  
and defended against all adversities;  
through Jesus Christ our Lord,  
who lives and reigns with You  
in the unity of the Holy Spirit,  
one God, forever and ever.

Amen.

### **ENCYCLICAL ON THE ENVIRONMENT**

In his encyclical on creation care, Pope Francis highlights "integral ecology" as the basis of the conversion we are all called to in order to save our common home from destruction. "Integral ecology" is the profound, fundamental interconnection between God, human beings, and all the rest of creation. With Pope Francis we pray, "Triune God...Give us the grace to feel profoundly joined to everything that is." As we reflect on our relationship to life-giving water, the air we breathe, and the ground we walk on, let us think of actions that we can take locally to protect the air, water and land for the generations to come. We might consider supporting legislative bills of our city, county or state that will serve to do this.
