FIFTH SUNDAY OF EASTER

First Reading: Acts 9:26-31

Paul the Apostle came to Jerusalem, where the other disciples were afraid of him. Then they learned that the Lord had spoken to Paul and he had preached openly in Damascus. When they learned that someone wanted to kill him, they protected him because they fully believed he had converted.

Second Reading: 1 John 3:18-24

John clearly states that we must love one another. All people who believe in Jesus Christ can show their faith only through their actions. If people believe in Jesus and love one another as he commanded us, they prove that they are true believers in Christ.

Gospel: John 15:1-8

Jesus compares himself to a vine, and compares his father to the vine-grower. He explains how God prunes the barren branches so that the rest might yield more fruit. He reminds them that apart from himself, his followers could not bear fruit.

From Cardinal Dolan...

Office of the Cardinal
April 29, 2018

Dear Friends in the Lord,

As you know, every year we here in the Archdiocese of New York take up a special collection for the Church in Central and Eastern Europe. During the time of communist reign in many countries, practicing the faith became illegal, church buildings were confiscated, and people were forced to hide and secretly share the truths of the Gospel. After decades of institutional oppression and persecution, Catholics still struggle to rebuild not only their physical places of worship, but also their church ministries and communities. With your support of this collection, the Church is providing resources to these communities to breathe new life into the faith once again.

For example, the nation of Albania is nestled north of Greece on the Adriatic Sea. This small country suffered greatly under communist rule. In the capital of Tirana, located in the middle of the country, the Church is continuing to restore not only its structures, but also the spirituality of the faithful after years of oppression. In 1996, the congregation of sisters known as the Company of Mary. Our Lady founded a kindergarten, the first Catholic school in the entire capital city. Since then they have opened a school for grades 1-9 and a daily activity center for children. These sisters are now serving over 700 children daily from all different backgrounds, faiths, and ethnic groups. With your support of Church in Central and Eastern Europe, these sisters will be able to make critical repairs to their building to continue their service. Your generosity helps them to continue teaching children and equips the congregation to provide a space to build peace full communities.

Be assured that your donations make a difference for those still struggling in the aftermath of communism so, please prayerfully consider how you can support this special collection for the Church in Central and Eastern Europe.

Thank you for your help to restore the Church and build the future in Central and Eastern Europe.

With prayerful best wishes, I am,
Faithfully in Christ,
+ Timothy Michael Cardinal Dolan

Resurrection & Ascension

The resurrection and ascension of Jesus in his Humanity is a sign of what God intends for all of us. It is a great sign of hope. Our homeland as human beings is heaven.

The theologian Karl Rahner describes the Ascension as the feast of the future of creation. I can no longer picture a future without the physical. Flesh has been redeemed and glorified, which means what is physical will last forever.

Through his ascension, Christ has brought part of this earth to God.

In the northern hemisphere, it's springtime. Nature comes alive with sunshine, flowers, green leaves, birds singing, a soft earth.

Today, every day, I would do well to open my eyes to the grandeur of God all around me. It is the beginning of what is to come, a cause for hope in a world that all too often is gloomy about its own future.
